# About us

## Mission Statement

To Provide quality products and services at competitive prices with the emphasis on personal Service.

## Our History

Established in 1978 on the back of a single carpeting installation contract, Eswatini Flooring & Interiors (originally name, Swaziland Flooring) grew to a fully fledged business offering a complete flooring and upholstery service to the country.

It has adapted over the years to include new technologies, products and methods in order to stay ahead of the competition. The EFI Client base ranges from individual homeowners to large & commercial clients.
